We especially urge that you visit the nursery. You may select specimens you desire at an additional charge of 25 per cent. There is a cash and carry salesyard, too, for your convenience.

No claims will be honored unless made within 10 days after purchase of stock.

There is **NO GUARANTEE** expressed or implied, as to life, description, quality or productiveness of stock we sell. Our total liability for any errors, should stock prove untrue to name, shall be limited to our replacing free or refunding purchase price. The purchaser may subject the material to exposure before planting, plant improperly, or not advise their customer in the proper watering and cultivation. Our plant material is fresh dug, and in good condition when sold, and the success or failure of loss is in the hands of the planter or their customer.
